# HOW TO WORK WITH THE *ARCHANGEL MICHAEL* *ORACLE CARDS*

Archangel Michael is a powerful non-denominational angel who provides protection and clear answers to your questions. He's also unlimited, and therefore able to be with everyone simultaneously, having unique and individual experiences with every person. Like the other angels, he respects your free will, so he won't intervene without your permission. But once you ask for his help, he's there in every way.

Archangels are the managers of our personal guardian angels. Each archangel has a specialty, and Michael's is to provide

protection—for that reason, he's the patron saint of police officers. Michael also lends courage and strength, as well as offering us guidance through life changes.

Additionally, Archangel Michael knows the details of your Divine life purpose, which every person has. This means that you have a mission, based upon your natural talents and interests, that's helpful to others. If you're confused about the purpose or higher meaning of your life, Archangel Michael can give you clarity and guidance.

Archangel Michael's name means "He who is like God." When you work with him, you're actually working with the right hand of the Creator, the ultimate messenger of Divine will and love. He's 100 percent safe and trustworthy, and his guidance is always crystal clear. (You can read more about this remarkable archangel in my book *The Miracles of Archangel Michael*.)

## *How to Use Your Archangel Michael Oracle Cards*

Oracle cards are an ancient, time-honored way to connect with angels and archangels. They're based upon Pythagorean numerology, which states that all numbers and images vibrate in a mathematically precise manner.

You can't make a mistake with these oracle cards because they operate alongside the infallible Law of Attraction. This means that your questions (or those of the individual you're reading for) always attract the perfect cards as their answers. That is, you'll always pull the card whose answer matches the vibration of the question.

Here are the steps to give an oracle-card reading to others (or yourself):

### **Step 1: CLEAR YOUR CARD DECK**

Since your cards are sensitive instruments, they need to be cleared of any energy they may have absorbed from the manufacturing process. Steps 1 and 2 only need repeating

after another person touches your cards or if your readings lack clarity because the cards have become clogged with too much energy.

To clear your cards, first hold the deck in your nondominant hand (the hand you normally don't write with), as this is the hand that *receives* energy. Form a fist with your other hand (this is the one that *sends* energy), and knock on the cards once. This clears out the old energy so that the cards are now a blank slate and ready to be imbued with your own vibration.

## **Step 2: CONSECRATE THE CARDS**

Briefly touch each of the cards to infuse them with your personal energy. You can simply touch one of the corners of each to accomplish this. Then fan the cards out with the artwork facing you. Hold the fanned cards to your heart and think about any prayers or intentions you'd like to bestow upon your cards. For instance, you can say the following silently or aloud:

*“Archangel Michael, I ask that all of my readings with these cards be accurate and specific, and bring blessings to everyone involved. Please help me stay centered in my higher self so that I may clearly hear, see, feel, and know the Divine messages that wish to come through these readings.”*

Ask and pray for whatever help you'd like during your readings, such as confidence, clarity, compassion, and so forth. Your cards now carry your personal vibration and intentions.

### **Step 3: INVOKE ARCHANGEL MICHAEL'S PROTECTION**

Next, ask Archangel Michael to watch over your oracle-card session, ensuring that only thoughts and feelings of love surround you. Michael will also shield you from any fear-based energies that arise from you or other people.

Michael helps everyone who asks, and you don't need a formal invocation or special training to gain his assistance. A sincere request is all he needs, such as:

*"Archangel Michael, I ask that you stay by my side and watch over me during this oracle-card session, ensuring that only God's love and wisdom come through."*

#### **Step 4: ASK A QUESTION**

Think of a question you'd like the answer to. If you're giving a reading to someone, ask him or her to either think of or verbalize a question. The angels and archangels hear your thoughts, so you needn't voice your queries aloud.

#### **Step 5: SHUFFLE THE CARDS**

Think of the question as you shuffle the cards, and ask Michael to help you with answers and guidance. If one or more cards "jump" out of the deck while you're

shuffling, place them to the side. They'll be part of your reading.

As you're shuffling, you'll likely notice feelings, thoughts, words, or visions. This Divine guidance will help you further understand the cards you draw, so pay attention to these impressions as they come to you.

When your cards begin to clump into two distinct sections, it's time to stop shuffling. You also may receive a feeling, thought, or vision to cease—or you may even hear the words *Stop shuffling now*. Trust and honor these Divine messages that are helping you with the reading. You can't make a mistake and stop shuffling too soon or early, as the Law of Attraction ensures that you'll always choose the correct cards.

### **Step 6: CHOOSE A CARD**

Pull the top card from the deck. This is the answer to your question, or guidance about which healing steps to take that will help you with the issue you've inquired about. As you read the card, notice any

thoughts, words, feelings, or visions that come to you, as these are additional messages from Archangel Michael that personalize the card's particular meaning for you. The picture also holds significance, so be sure to study its details. If you set aside a card (or cards) that “jumped” out of the deck while you were shuffling, carefully examine it, too.

### **Step 7: CONSULT THIS GUIDEBOOK**

Turn to the corresponding page for each card within this guidebook. As you read the general meanings, notice any thoughts or feelings that come to you, as they're a personalized part of the answer. Michael will give you specific guidance to help you walk through any life changes or to take appropriate action.

## *Three-Card Spread*

After completing Steps 4 and 5, pick three cards from the top of the deck. With the pictures and words facing up, lay the first card to your left, the second one in the middle, and the third to the right.

The card to your left speaks about the immediate past with respect to the situation you inquired about. The middle card reveals your question's current status and what you need to know or work on right now. And the card to the right shows your immediate future if you continue on your present path and follow the guidance in the middle card. Again, remember that you can improve your future by holding a positive outlook and following your inner guidance.

## *Multiple Card Decks*

You can use the *Archangel Michael Oracle Cards* with other card decks to get as much information as possible during your readings. Simply complete Steps 3 through

7 for each deck. Then look for the common theme among the cards you've chosen, and that will be the answer to your question.

The next section of this guidebook gives additional meanings for each card. Remember that you can change the outcome of any situation through prayer, visualization, and positive affirmations. Archangel Michael can help alter your future for the better if you'll ask for, and be open to, his assistance.

## THE MEANINGS OF THE CARDS

This guidebook explains the general meanings for every card in the *Archangel Michael Oracle Cards* deck. The card names are listed alphabetically, according to the first word on each card. (The exception is any card name beginning with *A*, *An*, or *The*. In that case, the card will be alphabetized under the second word. For example, the card “The Person You’re Asking about Is Trustworthy” is alphabetized under *P*.) When you’re ready to look up a card’s meaning, find the corresponding page and read the interpretation and symbolism for the entry. Your intuition will offer you even more personalized guidance from Archangel Michael; so as you read, simultaneously pay attention to your thoughts and feelings.

In addition, possible specific meanings are listed for each card in this guidebook. Your inner wisdom will tell you if any of these apply to you, or the items may trigger further insights about your situation. Each

card also has a prayer associated with it. Feel free to add your own words to the prayers so that they're truly personal and heartfelt.

From Archangel Michael:  
ADMIT THE TRUTH TO YOURSELF  
AND ACT ACCORDINGLY

*MY PRAYER: I appreciate your support in helping me face my feelings with grace and acceptance so that I can be lovingly honest with myself and others. Thank you, Archangel Michael, for giving me courage and strength.*

## ADMIT THE TRUTH TO YOURSELF, AND ACT ACCORDINGLY

You've drawn this card because there's an important feeling that you've been trying to ignore. Yet try as you might to push it aside, this feeling urges you to be honest with yourself. Archangel Michael says that facing this truth will be healing, and it will give you the direction and guidance you seek.

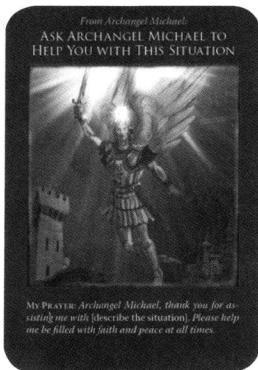

You've tried to disregard your inner urging because you're worried about making life changes. Archangel Michael reassures you that he's guiding you and making sure that your needs are met and your relationships stay healthy.

*Possible specific meanings:* Heal or leave an unhealthy situation • Don't compromise • Face your fears • Hold loving thoughts about yourself and this situation

### Prayer

*I appreciate your support in helping me face my feelings with grace and acceptance so that I can be lovingly honest with myself and others. Thank you, Archangel Michael, for giving me courage and strength.*

## ASK ARCHANGEL MICHAEL TO HELP YOU WITH THIS SITUATION

The situation that's concerning you can improve with Archangel Michael's help. This card serves as a reminder that it's never too late to get the angels involved, and their assistance will improve everything immediately . . . including giving you inner peace, new ideas, and insights. Michael will help you in ingenious and unexpected

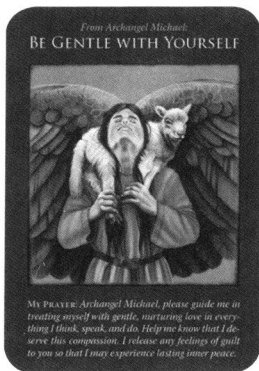

ways, so be open to miracles that take on surprising forms.

*Possible specific meanings:* Know that you're powerful—you're *not* a victim • Release any blame for yourself or others • Focus upon solutions, not problems • Allow other people to help you • Keep an open mind to alternative solutions

### Prayer

*Archangel Michael, thank you for assisting me with [describe the situation]. Please help me be filled with faith and peace at all times.*

## BE GENTLE WITH YOURSELF

Archangel Michael is guiding you toward honoring your sensitivity—emotionally *and* physically. You’ve been pushing yourself too hard, while often berating yourself for “imperfections,” which are in your imagination. This card serves as a reminder that you’re doing the best you can in the circumstances you’re dealing with. So give yourself a break, slow down, and be good to yourself.

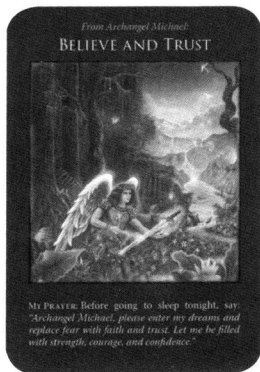

*Possible specific meanings:* Remove yourself from a harsh situation or relationship • Eat a more healthy diet • Avoid chemicals in your food and environment • Get more sleep • Switch to a gentler form of exercise • Speak lovingly about yourself and others • Quiet time is needed

### Prayer

*Archangel Michael, please guide me in treating myself with gentle, nurturing love in everything I think, speak, and do. Help me know that I deserve this compassion. I release any feelings of guilt to you so that I may experience lasting inner peace.*

## BELIEVE AND TRUST

To resolve this situation, you must believe that everything is healed and whole right now. As your faith grows stronger, the doorway to Divine solutions will open. Your trust enables your mind and body to relax, which increases your creative energy and strength—two qualities that will prove especially helpful to you.

*Possible specific meanings:* This situation will have a happy outcome • Positive

thinking will bring you your desired outcome more rapidly • Give worries to God and the angels • Trust the person you're inquiring about • Believe in yourself!

### Prayer

Before going to sleep tonight, say:  
*"Archangel Michael, please enter my dreams  
and replace fear with faith and trust. Let me  
be filled with strength, courage,  
and confidence."*

## DECIDE TO BE HAPPY NOW

The angels have heard you and are answering your prayers. Instead of making your happiness contingent upon future events, you can decide to be happy now. One way to do so is to focus on everything and everyone for whom you feel grateful. What is working well in your life? What are your blessings and strengths? By allowing yourself to experience joy and pleasure now, you become empowered. Take control

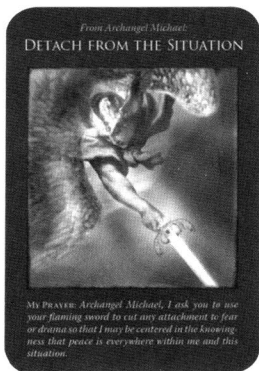

of your life, and prevent outside influences from determining how you feel.

*Possible specific meanings:* Detach from drama • Expect a miracle • Write a gratitude list • Maintain positive thoughts about this situation • Open your heart to love

### Prayer

*Thank you for helping me open my heart to happiness, joy, and bliss. I am now willing to see all of the goodness in my life.*

## DETACH FROM THE SITUATION

You've become embroiled in a situation to the point where you can't see it objectively. This card indicates that it's time to step back and obtain a bigger view of the picture. Archangel Michael asks you to detach from the surrounding emotions, and he'll help you do so. Michael will also guide you in depersonalizing the experience so you don't take offense at others' behavior. This will

prevent you from reacting defensively—instead, your actions will stem from love and wisdom.

Give yourself permission to take a time-out, away from the people involved. You don't need to know the solution right now, as the angels are taking care of the details. What's important for you is to access a sense of inner peace—a feeling that will lead to new and helpful insights.

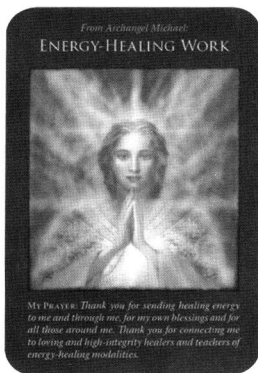

*Possible specific meanings:* Don't take on other people's arguments—let them work things out for themselves • Be compassionate without carrying someone else's burden • Ask Archangel Michael to clear your energy • It's time to leave an unhealthy situation or relationship

## Prayer

*Archangel Michael, I ask you to use your flaming sword to cut any attachment to fear or drama so that I may be centered in the knowingness that peace is everywhere within me and this situation.*

## ENERGY-HEALING WORK

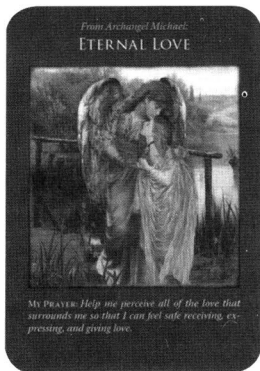

This card signifies that your present situation would benefit from healing energy, which you can elicit from the angels (just ask them!), a qualified energy healer, or from your own intentions and energy.

*Possible specific meanings:* Take measures to boost your energy and vitality, such as exercising and eating healthfully • Enroll in an energy-healing course • Book a session with a qualified energy healer • Your life purpose involves energy-healing work

## Prayer

*Thank you for sending healing energy  
to me and through me, for my own  
blessings and for all those around me.  
Thank you for connecting me to loving and  
high-integrity healers and teachers of  
energy-healing modalities.*

## ETERNAL LOVE

You've drawn this card because someone is sending you love at this moment. The first person you think about is the one who's holding these loving thoughts about *you*. Perhaps you've been worried about a relationship, and this symbolizes Archangel Michael's reassurance that all is well. The angels are watching over your loved one, as well as helping you with your relationships.

*Possible specific meanings:* You'll encounter a soul-mate relationship • Your loved one in heaven is sending you an "I love you" message • God and the angels love you very much • Know that you're a lovable person, even if someone isn't behaving lovingly toward you • An ex-lover will come back into your life

### Prayer

*Help me perceive all of the love that surrounds me so that I can feel safe receiving, expressing, and giving love.*

## EXPLORE YOUR OPTIONS

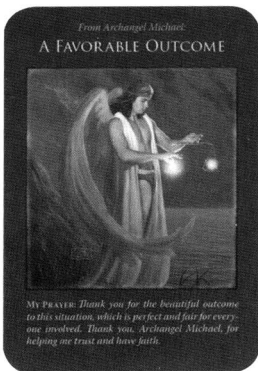

You've worked hard to make your current circumstances palatable, and now it's time to look at alternatives. Your coping and adaptation skills are admirable; however, Archangel Michael reminds you that it's important to be honest and authentic with yourself at all times. You don't need to compromise in any way, for Michael assures you that your needs will be met in gentle and loving ways.

*Possible specific meanings:* Update your résumé and look for another job • Know that you won't be alone if you leave an unhealthy relationship • Find new ways to heal the present situation • Research and explore your options • Change the professional you work with (such as your doctor, therapist, lawyer, and so forth) • Allow yourself to daydream about possibilities • Remember that everything is possible!

### **Prayer**

*Dear God, thank you for your wisdom and love, helping me see, understand, and assess all of my alternative options. Please guide me in the best direction for my health, happiness, and life's purpose.*

## A FAVORABLE OUTCOME

A situation that you're concerned about has already resolved itself with fairness and justice, and you (and others involved) will be pleased with the outcome. Heaven's ingenuity has devised a plan that's beyond the scope of human imagination. You may not see the solution at this moment, but trust that it's already in place. You're guided to give your worries or anger to Archangel Michael, for there's no need to burden

yourself. The more that you can let go and allow God to be in charge, the faster your favorable outcome will manifest.

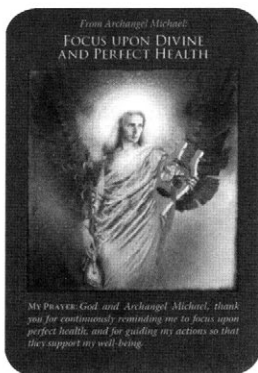

*Possible specific meanings:* A legal matter will settle in your favor • Your new relationship will be long-term • You'll get your desired job • The money will come through • A healing will occur

### Prayer

*Thank you for the beautiful outcome to this situation, which is perfect and fair for everyone involved. Thank you, Archangel Michael, for helping me trust and have faith.*

## FOCUS UPON DIVINE AND PERFECT HEALTH

Archangel Michael says that the key to good health is to focus upon your well-being instead of on sickness or injury. You drew this card as a reminder to stay centered on your desires—not your fears. Bodies react instantly to love and fear, so choose the former in this situation. Pour genuine affection and blessings into every cell. Visualize and expect perfect health

for yourself and others. Speak of yourself and loved ones in terms of perfect health, affirming that all is well.

*Possible specific meanings:* You'll notice an improvement in your health • Follow your intuition regarding health and healing • Your life purpose involves healing • Make positive changes to your lifestyle • Use uplifting affirmations, especially about health • Seek a second medical opinion

### Prayer

*God and Archangel Michael, thank you for continuously reminding me to focus upon perfect health, and for guiding my actions so that they support my well-being.*

*From Archangel Michael:*  
**FORGIVE YOURSELF:  
YOU'VE DONE NOTHING WRONG**

*MY PRAYER: I ask that you help me let go of self-blame and forgive myself. Please guide me in releasing any toxic anger or fear toward others. Thank you, Archangel Michael, for allowing me to feel centered and at peace.*

## FORGIVE YOURSELF: YOU'VE DONE NOTHING WRONG

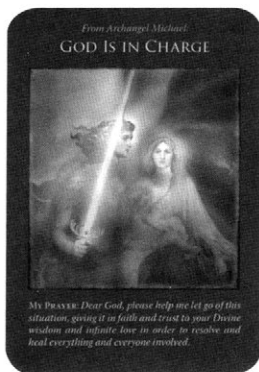

Archangel Michael sees that guilt is interfering with the happiness you seek. You're blaming yourself for something that's in the past, but it's time to let it go—especially since self-blame is unproductive and unhealthy. In truth, you've done nothing wrong. You were doing the best you could at the time.

*Possible specific meanings:* Think and speak lovingly about yourself • Stop ruminating about the past • Send blessings to those you're angry with as a way of healing yourself and the situation • Know that you can't control other people's feelings or reactions • Join a support group such as Al-Anon

### Prayer

*I ask that you help me let go of self-blame and forgive myself. Please guide me in releasing any toxic anger or fear toward others. Thank you, Archangel Michael, for allowing me to feel centered and at peace.*

## GOD IS IN CHARGE

This card comes to you with the reassuring message that God is in charge, taking care of all the details. Give any worries to God, and stop struggling against the flow. There's a natural course that this situation is taking, and it's important to trust that things are going in the right direction . . . *because they are.*

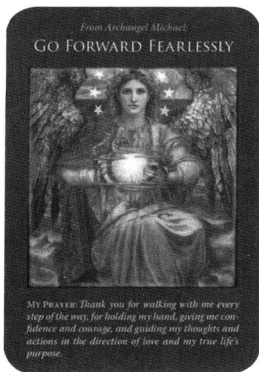

*Possible specific meanings:* Ask for help, and allow yourself to receive it when it's

offered • Your prayers have been heard and answered • A miraculous solution is already in the works • Enjoy your life, because God is taking care of any apparent problems

### Prayer

*Dear God, please help me let go of this situation, giving it in faith and trust to your Divine wisdom and infinite love in order to resolve and heal everything and everyone involved.*

## GO FORWARD FEARLESSLY

This card is a sign that you're on the right path and that it's safe for you to move forward with your plans. As long as you hold intentions that are focused on your heart's desire, your steps will be automatically poised in the right direction. Right now it's important for you to take action—no matter how small or seemingly inconsequential—toward your desired outcome. Ask Archangel

Michael for guidance by saying "Please show me the next step," and he'll come to your aid. And all the while, he'll also be protecting and supporting you through these significant life changes.

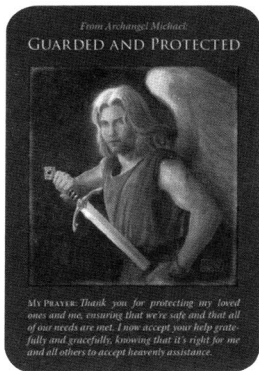

*Possible specific meanings:* You're supported as you make a life change • Leave an unhealthy situation • It's a good time to start a new business or other venture • Enter this relationship with an open heart and mind • This is the right choice for you

### Prayer

*Thank you for walking with me every step of the way, for holding my hand, giving me confidence and courage, and guiding my thoughts and actions in the direction of love and my true life's purpose.*

## GUARDED AND PROTECTED

Archangel Michael is protecting you in this situation, as well as in other areas of your life. You and the archangel are a team: you follow the guidance he gives you through your intuition. You likely drew this card because you're going through a major life change and are feeling vulnerable, but this is a symbol to remind you that Michael is watching over you around the clock.

This card also urges you to drop your

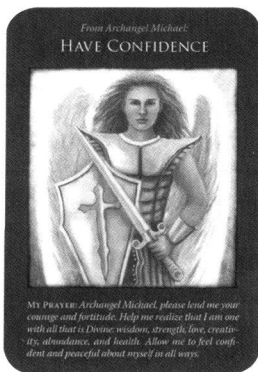

defenses in relationships with people and the angels. Open your heart to giving and receiving love so that you can experience the intimacy you deeply desire. Be your authentic self with others, and tell the angels about your feelings. This allows others to know, support, and love you . . . including loving yourself for who you are!

*Possible specific meanings:* Your financial needs will be met • You'll have a happy outcome concerning a legal matter • Sleep well—your home is being watched over • Your children are protected and safe • Your loved ones are with the angels in heaven

### Prayer

*Thank you for protecting my loved ones and me, ensuring that we're safe and that all of our needs are met. I now accept your help gratefully and gracefully, knowing that it's right for me and all others to accept heavenly assistance.*

## HAVE CONFIDENCE

This card serves as a talisman to raise your self-confidence. Archangel Michael has been trying to reassure you that you have the strength, power, and skills that are valuable to God's plan of peace. Michael is protecting you while you shine your bright light. Listen to your intuition, and act with aplomb.

In relationships, your self-assurance attracts healthy people to your side. It also

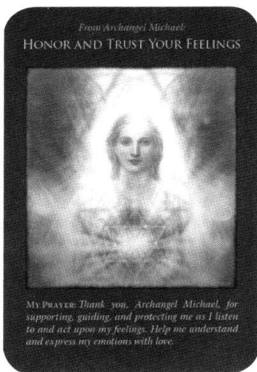

triggers respect in others. As you're falling asleep each night, ask Archangel Michael to help raise your confidence. You'll wake up feeling love and compassion for yourself and others.

*Possible specific meanings:* Have confidence in your plans and ideas • Tune in to your intuition, as it's right on target • Trust the person you're inquiring about • Have faith that you're on the right path • Know that your financial and other needs are being met now and in the future

## Prayer

*Archangel Michael, please lend me your courage and fortitude. Help me realize that I am one with all that is Divine: wisdom, strength, love, creativity, abundance, and health. Allow me to feel confident and peaceful about myself in all ways.*

## HONOR AND TRUST YOUR FEELINGS

Archangel Michael urges you to look inward and listen, for this card is a sign that your feelings are accurately tuned in to the truth. Some of these feelings may be uncomfortable to face, yet they're with you for an important reason. If you're conflicted, sit down with pen and paper and conduct an "interview" with your emotional self by

asking: *What are you feeling? Why? What would you like me to do?* Your feelings will speak loudly and clearly if you keep an open mind and trust what you hear.

Respect your inner voice as the powerful life force that connects you to the Divine. Often God and the angels answer your prayers and offer you guidance through your physical and emotional feelings. If you say, "Oh, it's just a feeling," you're ignoring vital Divine assistance. This card reminds you to listen—*really listen*—to your feelings.

*Possible specific meanings:* It's time to admit that you're unhappy in a certain situation and to take appropriate corrective action • Someone's trying to talk you out of feeling a certain way—stick to what you know and feel as your barometer

## Prayer

*Thank you, Archangel Michael, for supporting, guiding, and protecting me as I listen to and act upon my feelings.*

*Help me understand and express my emotions with love.*

*From Archangel Michael:*

## INNOCENCE

*MY PRAYER: Dear God and angels, thank you for helping me see that all of your qualities of pure love and light are reflected within me and all others. Help me embrace my God-given innocence so that I may be at peace.*

## INNOCENCE

Archangel Michael is holding you in a comforting embrace, assuring you of your innocence. Ask him to help you forgive yourself and let go of guilt (which is a heavy emotion that keeps you from experiencing inner peace) by saying: "Archangel Michael, thank you for helping me forgive myself for [name the specific event] and for anything else I've blamed myself for. Please help me release all self-blame from my mind, body, and emotions."

Feel the sensation of deep release as Archangel Michael helps you embrace your true innocence. Your past behavior could never undo God's perfect handiwork in creating you as a powerful, loving, and much-needed being of light and love.

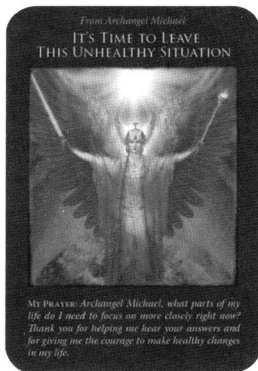

*Possible specific meanings:* The individual you're inquiring about is innocent • Purify or detoxify • You can trust the situation that you're asking about • Focus on other people's good qualities instead of their "mistakes"

### Prayer

*Dear God and angels, thank you for helping me see that all of your qualities of pure love and light are reflected within me and all others. Help me embrace my God-given innocence so that I may be at peace.*

## IT'S TIME TO LEAVE THIS UNHEALTHY SITUATION

Archangel Michael has heard your pleas for help, and his answer comes to you through this card: *Leave!* You've been enduring a toxic situation for far too long, investing time and energy that isn't yielding healthful results. This experience isn't beneficial for you or the other people involved. You don't need to remain in negativity, beloved one. Walk away without guilt or hesitation.

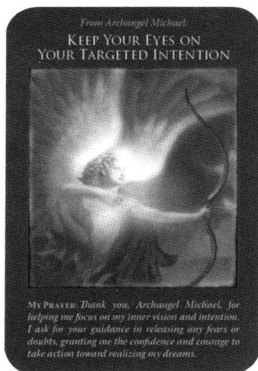

The angels will assist you to ensure that the parting is as harmonious as possible, and Archangel Michael will shield and protect you. Follow your inner guidance every step of the way and the transition will be smooth.

*Possible specific meanings:* Apply for a new job • Detoxify from alcohol, cigarettes, or other drugs • See a relationship counselor • Speak honestly to someone with whom you're having difficulties • Eat a more healthful diet • Get a second medical opinion • Consult a divorce attorney • Move to a new home • Make sure that your environment is free of chemicals and toxins

healthy changes in my life.*

## KEEP YOUR EYES ON YOUR TARGETED INTENTION

Archangel Michael has been guiding you along the path of your life's purpose. Can you feel the rush of excitement whenever you think about your desired occupation and activities? This is a signal that you're on the right path, and this card reminds you to keep a steady eye on your goals. Continually visualize that you already have the career or volunteer work of your dreams. See yourself

helping people or issues that are dear to your heart. Imagine that you have complete financial security while you devote yourself to this important work.

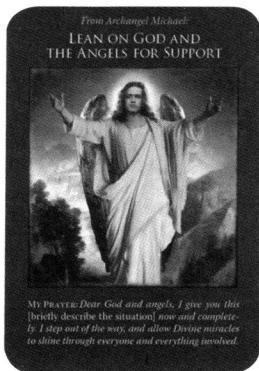

Any desire you have is viable, as long as you stay focused upon it. The path to making your intentions a reality may differ from your expectations, yet the outcome is likely to exceed your dreams. Know that the angels walk beside you throughout your journey. Keep the faith . . . and *keep going!*

*Possible specific meanings:* Make a “dream board”: using construction paper, create a collage with cutout photos and phrases from magazines that reflect your dreams • Affirm daily that your dreams are already a reality

## Prayer

*Thank you, Archangel Michael, for helping me focus on my inner vision and intention. I ask for your guidance in releasing any fears or doubts, granting me the confidence and courage to take action toward realizing my dreams.*

## LEAN ON GOD AND THE ANGELS FOR SUPPORT

You're a strong and independent person, yet there are times when everyone needs support, and for you, that time is now. This card guides you to give this situation completely to God and the angels. If you try to single-handedly resolve it, you'll burden yourself with unnecessary worry, which also

blocks you from experiencing the solution at hand. When you allow others to help and support you, you empower yourself!

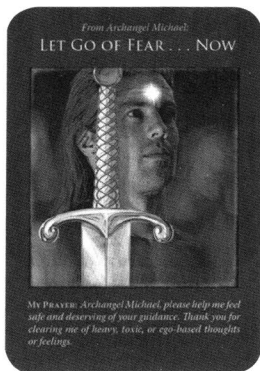

*Possible specific meanings:* Hire some help  
• Let others assist you when they offer • Ask your friends and family for support • See a counselor so you can talk freely about—and sort through—your feelings

### Prayer

*Dear God and angels, I give you this [briefly describe the situation] now and completely.*

*I step out of the way, and allow Divine miracles to shine through everyone and everything involved.*

## LET GO OF FEAR . . . NOW

Archangel Michael says that fear is the only thing interfering with your happiness and plans. He wants to show you how to release any worry or dread so you can feel safe and secure. This card indicates that you're ready to let go of control issues and trust that everything ultimately works out for the best.

*Possible specific meanings:* You're going in the right direction • You deserve all that is good (just as we all do!) • Allow yourself to receive love, support, and abundance • You are lovable

### **Prayer**

*Archangel Michael, please help me feel safe and deserving of your guidance. Thank you for clearing me of heavy, toxic, or ego-based thoughts or feelings.*

From Archangel Michael:  
MAKE A COMMITMENT

MY PRAYER: Archangel Michael, as the angel of courage and confidence, I call upon you to lend me your strength. Allow me to commit to myself, my life, and my Divine purpose. Please clearly guide me so I can fully open my heart to every experience.

## MAKE A COMMITMENT

You drew this card because you're asking about how to improve a situation. Archangel Michael advises you to *fully commit to your desired outcome*. If you're tentative, or unsure if you're deserving or worthy enough, then the final result will be unsatisfactory. However, by making a commitment, you'll help spark movement in your life.

*Possible specific meanings:* Commit to your current relationship to create more intimacy and satisfaction • Allow yourself to fully enjoy each moment • Completely immerse yourself in an exciting project • If you're a musician or an artist, become deeply mindful of every note played or each stroke of your paintbrush • Be confident as you speak and write

### Prayer

*Archangel Michael, as the angel of courage and confidence, I call upon you to lend me your strength. Allow me to commit to myself, my life, and my Divine purpose. Please clearly guide me so I can fully open my heart to every experience.*

## NEW BEGINNINGS AND A FRESH START

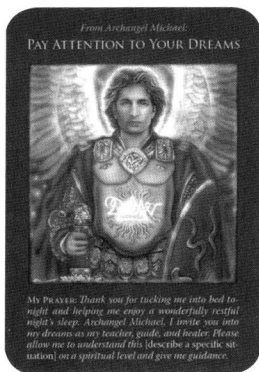

As one chapter of your life closes, another one is beginning to bloom. Right now you may only notice the first inklings of new growth in your life, so Archangel Michael sends this card to encourage you to keep going. There's great goodness in store for you! Stay filled with faith and keep a positive outlook.

*Possible specific meanings:* A healing is imminent • You'll experience better conditions at work or a new job • Past mistakes are forgiven and forgotten • An improvement in a relationship is apparent • A relationship is blooming • A move to a new home may be forthcoming • An improved mind-set boosts your happiness and confidence • Let the past go! • Clear, clean, and declutter your home or office

### Prayer

*Thank you for bringing new opportunities and offering support, and for helping me release and heal my past. Fill me with trust as I experience these life changes.*

## PAY ATTENTION TO YOUR DREAMS

Archangel Michael has been working with you during dream time to help you release old fears and reach new heights of happiness and peace. He's been teaching you while you sleep, providing answers to your prayers and building the foundation for your life's purpose. Although you may not remember these dreams, the information resides in your subconscious and helps you in many ways.

You can access much of Michael's counsel by keeping a dream journal. Any type of notebook will do; keep it by your bed and consistently record whatever you remember from the previous night's dreams. You'll soon recognize patterns in themes and symbolism, which will offer you guidance for your waking hours.

*Possible specific meanings:* Recurring dreams are speaking to you—be sure to pay attention • Respect and act upon your heart's desires • Consult a dream expert or book on dreams • Make sure you're getting enough sleep • Go to bed sober, as chemicals can interrupt REM sleep (dream sleep)

## Prayer

*Thank you for tucking me into bed tonight and helping me enjoy a wonderfully restful night's sleep. Archangel Michael, I invite you into my dreams as my teacher, guide, and healer. Please allow me to understand this [describe a specific situation] on a spiritual level and give me guidance.*

*From Archangel Michael:*  
THE PERSON YOU'RE  
ASKING ABOUT IS TRUSTWORTHY

*MY PRAYER: Thank you for helping me have faith so I can open my heart wider in my relationships. I am grateful for your protection, ensuring that only trustworthy people are in my life.*

## THE PERSON YOU'RE ASKING ABOUT IS TRUSTWORTHY

You drew this card as reassurance that you can rely on the person involved with this situation (and that includes trusting yourself, too). Everyone makes mistakes or acts selfishly occasionally, yet by and large, the individual you're thinking of is dependable. He or she cares about you and will act accordingly in loving ways.

Archangel Michael asks you not to expect this person to be perfect, as this puts too much pressure on the relationship. Instead, view and treat your comrade as you'd want to be treated: with love and compassion.

*Possible specific meanings:* Your idea is valid and trustworthy • The person you've just met will become a new romantic partner • Believe what this person is saying, even if you don't like what you're hearing • This individual will make a good business partner • Let go of blaming others, and give anger or unforgiveness to the angels for healing

### Prayer

*Thank you for helping me have faith so I can open my heart wider in my relationships. I am grateful for your protection, ensuring that only trustworthy people are in my life.*

From Archangel Michael:  
POSITIVE THOUGHTS  
CREATE POSITIVE RESULTS

*MY PRAYER: Divine love and wisdom, I call upon you now. I know that my mind and emotions are eternally and continuously connected to you. I ask my Higher Self to be aware and conscious of the love and light that is within every person and situation.*

## POSITIVE THOUGHTS CREATE POSITIVE RESULTS

This situation calls for uplifting thoughts, which are the magic ingredients you've been looking for. Although you may protest that you already have a positive mind-set, Archangel Michael advises you to purge your thoughts and speech of any worries or other negativity that could diminish your manifestations. Michael says that you can tell how constructive your thoughts are by

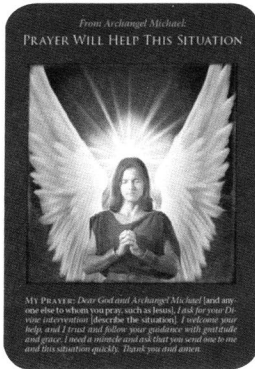

paying attention to recent events in your life, as there is a direct correlation between positive thoughts and positive results. He'll help buoy your spirits to a truly beneficial level so that your experiences are happy and welcome.

*Possible specific meanings:* Adopt a daily (or hourly!) practice of saying positive affirmations • Read a book or take a class on positive affirmations • Avoid blaming yourself or others—instead, focus on solutions • Rather than worrying about something, pray and practice a loving, compassionate state of mind

## Prayer

*Divine love and wisdom, I call upon you now. I know that my mind and emotions are eternally and continuously connected to you. I ask my Higher Self to be aware and conscious of the love and light that is within every person and situation.*

## PRAYER WILL HELP THIS SITUATION

Archangel Michael reminds you that prayer improves every situation, while worry does the opposite. Praying works because it allows God and the angels to offer assistance, since they cannot violate your free will. They can only intercede with your permission and at your request, which is what prayer is.

Although your prayers may be answered differently from your expectations, rest assured that you're being heard. The Divine mind knows the perfect solution for everyone involved, so your role is to ask for help and then follow the guidance as it is given. God and the angels are in charge of *how* your prayers are answered, which is usually in ingenious ways beyond the scope of human imagination.

*Possible specific meanings:* Connect with a prayer group—the more prayers, the better!

- Give worries and fears to God and the angels
- Have faith, for there's good reason to be hopeful
- Be open to solutions that may differ from your expectations

## Prayer

*Dear God and Archangel Michael [and anyone else to whom you pray, such as Jesus], I ask for your Divine intervention [describe the situation]. I welcome your help, and I trust and follow your guidance with gratitude and grace. I need a miracle and ask that you send one to me and this situation quickly. Thank you and amen.*

*From Archangel Michael*

## ROMANCE ANGELS ARE HELPING YOU

This card validates that your prayers concerning your love life have been heard and answered. There's a special group of ethereal beings called the *Romance Angels* who specifically work with matters of the heart. These angels are giving you intuitive guidance to prepare you for great love.

To manifest a soul-mate romance, you must express the qualities you desire

in a partner. So the Romance Angels may ask you to make healthful lifestyle changes; focus on self-improvement; learn additional, interesting hobbies; or make new friends. The more that you listen to your intuition, the faster your prayers for a loving relationship will be answered.

*Possible specific meanings:* The person you're asking about is your soul mate • You will experience a happy change in your present relationship • You are learning to love yourself • You will soon meet someone special by following your guidance • Listen to your intuition concerning exercise, diet, and other aspects of self-improvement

From Archangel Michael:

## SELF-RESPECT

*MY PRAYER: Dear God and angels, thank you for helping me see myself as you see me, through the eyes of love. Thank you for honoring and respecting me—please guide me to do the same for myself, and grant me the courage to speak up on my own behalf. I ask for your protection in all of my relationships so that I am surrounded by loving and kind people.*

## SELF-RESPECT

Archangel Michael is supporting your quest for happiness, health, and abundance by advising you to respect and love yourself. The situation you're inquiring about has some dysfunctional aspects, which can adversely affect your self-esteem. This card is a sign that it's time to honor yourself, even if others aren't treating you in a worthy manner. You deserve respect from yourself and others, for you're a beloved child of

God (just as everyone is in spiritual truth).

*Possible specific meanings:* Get counseling to build your self-esteem • Leave an abusive situation • Let go of behaviors that you know deep down aren't healthy or right for you, as guilt erodes self-respect • Insist that others treat you with respect

### Prayer

*Dear God and angels, thank you for helping me see myself as you see me: through the eyes of love. Thank you for honoring and respecting me—please guide me to do the same for myself, and grant me the courage to speak up on my own behalf. I ask for your protection in all of my relationships so that I am surrounded by loving and kind people.*

*From Archangel Michael:*

*MY PRAYER: Thank you for helping me see the humor in this situation so I can lovingly laugh at human nature. I am willing to view my experience in a new light in order to attract love and healing energy.*

## SENSE OF HUMOR

This situation would benefit from your sense of humor. View your experience as if you were watching a scene from a movie, keeping in mind—as Shakespeare said—that “all the world’s a stage.” What do you find humorous about human nature in this scenario?

By getting a new perspective on everyone’s behavior, you can automatically detach with love. Humor allows people to

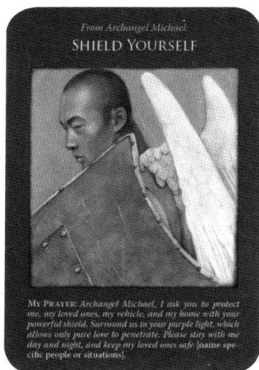

drop their defenses so that love can enter and heal the situation and relationships. That's why God and the angels have a wonderful sense of humor . . . and so do you!

*Possible specific meanings:* Know that laughter is the best medicine • Watch a funny movie or TV show to boost your mood • Your life's purpose may involve comedic writing, acting, or speaking • Learn some new jokes as a way to help your relationships • Enroll in a stand-up comedy class to increase your speaking skills and self-confidence

## SHIELD YOURSELF

This card indicates that you're especially sensitive to energies and emotions right now. Archangel Michael is shielding you from harsh energy, but it's also important for you to take action steps to help with this endeavor. For example, avoid situations where anger and/or competition are expressed. And stay away from bars, pubs, or other places where chemicals are abused, which can attract lower energies. Follow

your natural inclinations, such as keeping to yourself or spending time with soft-spoken, gentle people.

*Possible specific meanings:* Wear or carry a protective crystal, such as black obsidian • Make sure that you're physically protected, including having up-to-date health insurance, an automobile in good working condition, and so forth • Use caution in dealing with this situation or relationship

### Prayer

*Archangel Michael, I ask you to protect me, my loved ones, my vehicle, and my home with your powerful shield. Surround us in your purple light, which allows only pure love to penetrate. Please stay with me day and night, and keep my loved ones safe [name specific people or situations].*

You've asked about a situation where there's confusion or indecision, and this card is a sign that you shouldn't rush into anything. More information will be revealed as time passes, which will naturally guide your actions. There's no need to force anything right now. The opportunity won't go away if you don't jump on it immediately, and others will wait for you.

It's *your* decision, and your best course of action is to slow down and take your time.

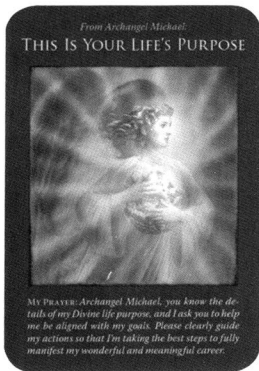

*Possible specific meanings:* Don't sign the contract just yet—negotiate a better deal • Slow down the speed of a new relationship • Ask more questions before saying yes • Investigate your options and alternatives • Don't be pressured by other people, as they're only thinking of themselves

### **Artwork by Savannah Roy**

**Card Names:** *Have Confidence, Sense of Humor, Take Your Time Making This Decision*

Savannah is a self-taught artist who has been dabbling with her “colors” since she could barely walk. Her remarkable independent nature and natural talent for fine art seem to be entirely of her own creation. She calls herself a late bloomer who has just begun to share her works with the world. Savannah paints for her own expression, and because she’s been a fan of Doreen’s work for many years, she’s very pleased and honored to contribute her art to Doreen’s projects.

Savannah’s varied pieces are imbued with her passionate vision of a world filled with all that is nurturing and wonderful. Spending time with her paintings will warm the heart, reminding us that the renewing splendor of spring is more than just a season—it’s a state of mind.
