# TAROT BASIC READING

The tarot reading was well-known in the 15th Century (the 20th Buddhist Era.) It first started with Gypsy crystal gazing. After the defiance of witches and wizards, the Gypsy changed from crystal-gazing to tarot card reading. At first, the meaning of the cards included the Christian idea and developed into the present day. The popular tarot card is Rider-Waite which is the model of many tarots nowadays.

Tarot reading is not difficult but to read accurately and profoundly, you must practice and train your mind to have strength. Practice meditation to be strong and have an understanding of your tarot cards. This book might not teach all methods but it compiles the fundamental knowledge for practicing reading tarot cards.

To read the tarot cards, you must start understanding the meaning of 78 cards, as each card has a different meaning. Tarot cards can divide into Major Arcana which have 22

cards, or Minor Arcana, which have 56 cards. In Minor Arcana can divide into 4 types as follow:

- Coins (Earth Element) represent the externals.
- Cups (Water Element) represent emotions.
- Sword (Wind Element) represents logic.
- Wand (Fire Element) represents the internals.

Each card has its story and different meaning. We need to remember all of the signification first to read the cards. Nevertheless, to understand and interpret the definitions need experience. Sometimes, it does not need to be an upright meaning. It is up to the position, the side cards and the overview of all cards, so we do not need to remember all the implications but it is better to try to understand the meaning of each card deeply. Next, this book includes an explanation of tarot 78 cards. You can try to comprehend how to read the tarot cards.

# ONE CARD TAROT READING

Reading one tarot card is the easiest way. You can follow the steps below.

1. Ask your tarot card one question, and the answer should be simple. For example, Should I eat this? Should I buy this? Like it or Is he angry?

2. Concentrate and shuffle your tarot card. Some people shuffle with age. Some people have the exact number they like. Some people believe in using their left hand. All in all, it is up to the belief and does what you prefer.

3. Pick a card from the deck. Some people use their left hand because it is closest to the heart. Some people shuffle the tarot card until it falls out of the set.

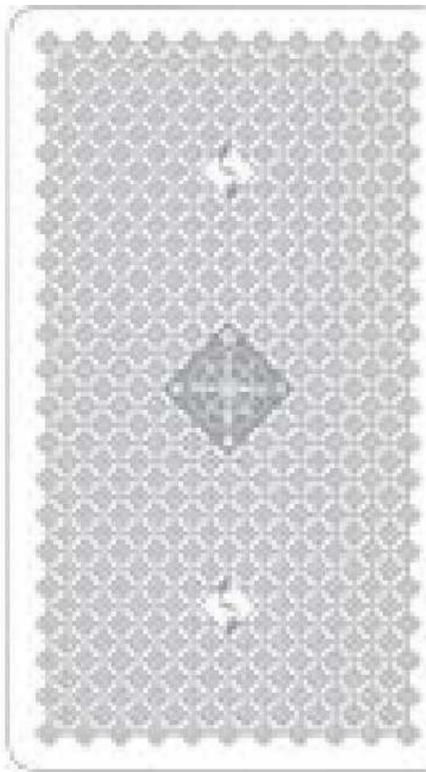

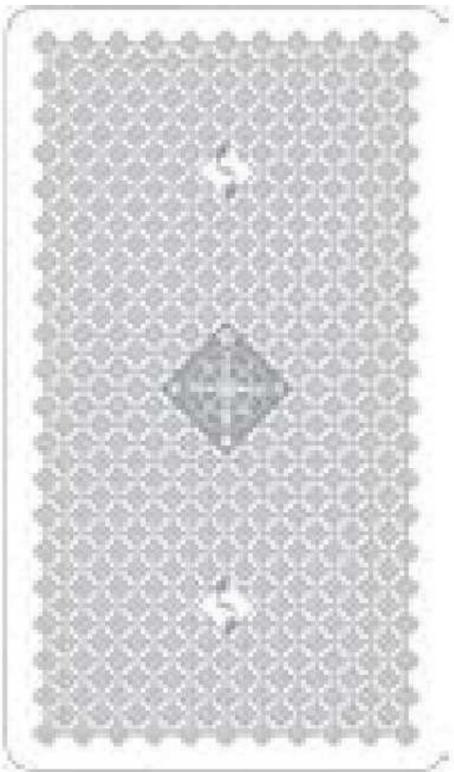

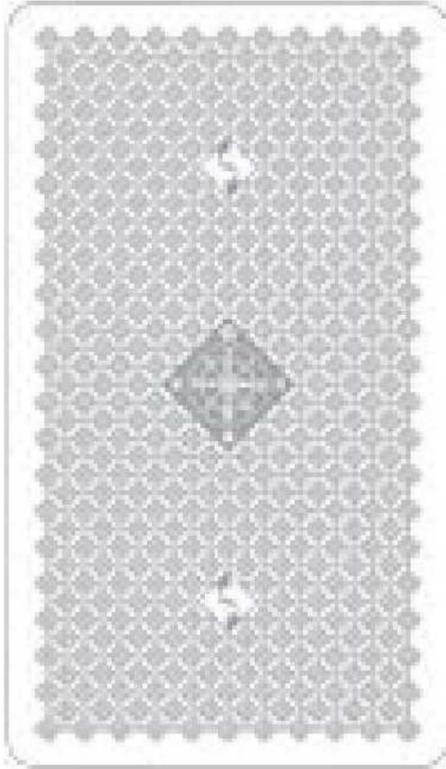

4. Open the card, which is the answer to your question.

Reading one tarot card is forthright. For instance, if you ask a question, will this person love you? And you get The Lover card. It means they definitely love you.

If you ask a question, Is your financial situation good? And you get Ace of Pentacles. It indicates that you are lucky in money. However, if you get Five of Pentacles, it means you may have some serious money problems that can cause you to be broke or bankrupt.

One card tarot reading is simple, which is very popular as it is not complex, and you can learn to understand the meaning of each card in different situations. Finally, anyone interested in reading tarot cards should constantly practice reading one tarot card.

# THREE CARDS TAROT READING

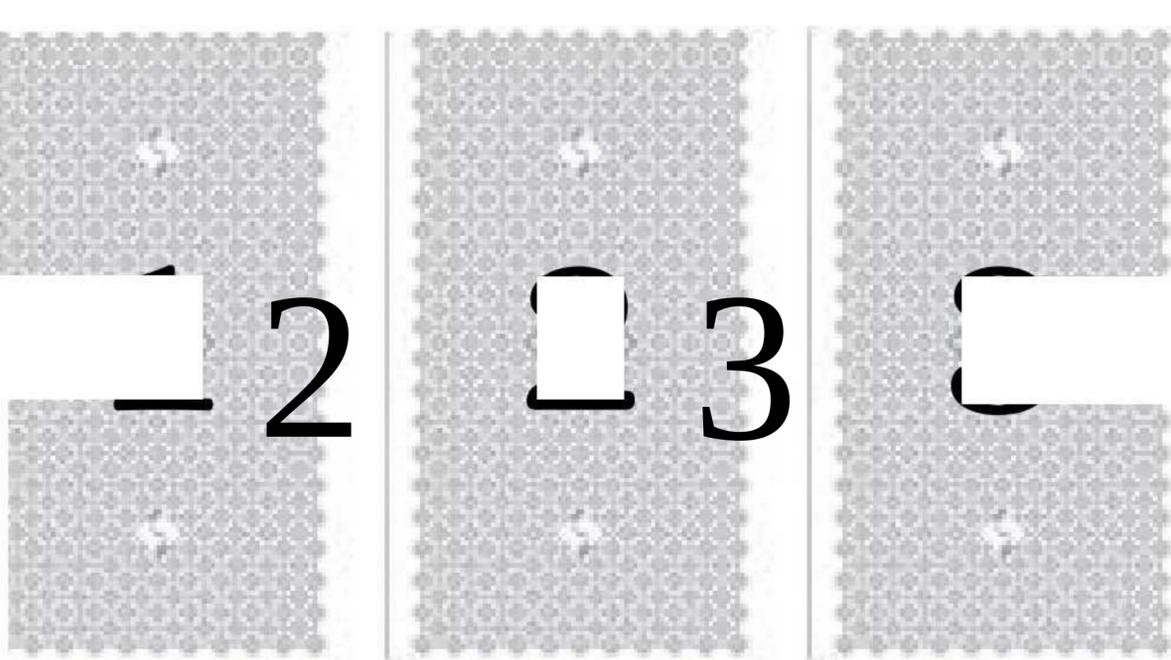

Reading three preliminary tarot cards is the same as reading one tarot card. The difference is you have to pick three cards and read the cards following their positions. You can follow these steps below.

1. Ask a question with determination.
- 2.Shuffle and pick three cards.
- 3.Sort the cards upside down.
4. Flip the first card and read the meaning in order until all 3 cards are complete.
5. Read the overview of these cards.

Reading three cards will set the position of these cards. You can read more variety and redundant card meanings. The different positions of the cards are often set up in a variety of ways. For example:

- Position 1. represent yourself.
- Position 2. represent what is coming.
- Position 3. represent conclusion.

Reading three tarot cards is more complicated than reading one tarot card as it adds the positions of the card, so complicates the interpretation of the cards. As a result, you will get more precise answers from them.

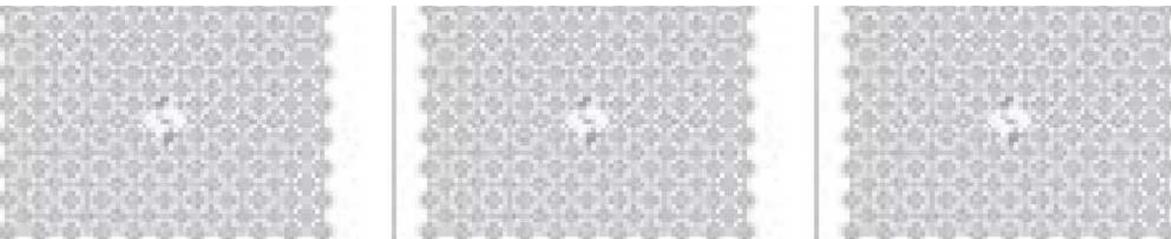

What is coming.  
Conclusion.

not the same as a short story that you can conclude in a short time. For example:

Each position can change up to the preference.

12 3  
12 3

1. You
2. What is coming
3. Conclusion.

The position of each card represents a role as follows, and then open the following cards.

What is coming.  
Conclusion.

The three-card tarot reading is interpreted as a story, meaning the cards vary depending on their position. For instance, if the Ace of Wand is in the first place, it can mean you are eager to start a new project. If it is in the last position, it can indicate that you should give up on what you're doing and focus more on new things.

In addition, reading three tarot cards requires imagination and understanding in a multi-dimensional way, so you need to practice a lot. To interpret the meaning of tarot cards is

*“You have so many things that you want, and you have many offerings. However, you are choosy. Finally, you have no regrets as you are happy. ”*

You can interpret the cards as:

1. Represent yourself: you get Seven of Cups which means you have many things you want.
2. Represent things that will come: you get Four of Cups which means you have an opportunity coming, but you are not interested in it.
3. Represent conclusion: you get The Sun which means bright, lively, and happy.

In conclusion, these three cards can read as

Here is another example, If the position of the cards as the following roles:

1. What is coming
2. Helper
3. Conclusion

You will see that the last one is always the conclusion. When the cards place like this, you can interpret as:

1. What is coming: You get Seven of Swords which means someone takes your work or you take theirs.

2. Helper: You get Justice which means you may have to go to the court to claim for rightness.

3. Conclusion: You get Six of Wands which means you will be accepted and gain victory.

In conclusion, these three cards can read as

*“Someone pirates your copyright or steals your work which can lead to a Lawsuit In the end, the judge decides that you win in this case. ”*

These are basic examples of reading three tarot cards. You can see that the answer is much more complicated than reading one tarot card. If you lack experience and

concentration, you cannot read the sophisticated meaning of each card. From the primary reading of three tarot cards, you can develop a way to read more complex cards as they have more cards, more positions, and more meaning in each place. Eventually, You can read more differently.

# TAROT ARRANGEMENTS

Reading with multiple positions and increasing  
increase the complexity of the story. The more  
more sequences, the more numbers, make the  
cation of the story will be greater. Therefore,  
ards in different ways is very important.
